## How to confirm an exam was submitted

Exam that takes place as a "QUIZ" component

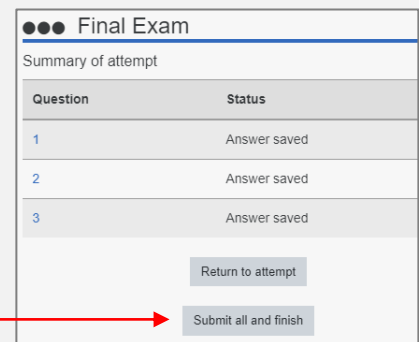

The quiz component on your course webpage will look like this:

### 1 To submit an exam:

1. Press the button: "Submit all and finish"

2. A window will open requesting final confirmation submission of the exam.

Press the button: "Submit all and finish"

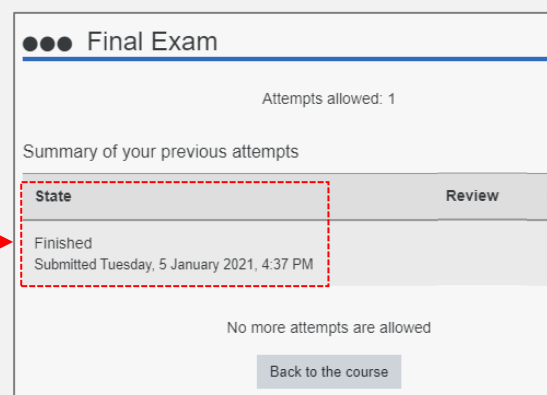

### 2 To confirm that the exam was submitted

After you submit the exam, a page named "Summary of your previous attempts" will appear.

**To confirm that the exam was submitted**

In the "State" column, make sure it says "Finished", and that a submission date appears.

## How to confirm an exam was submitted

### Exam that takes place as a "ASSIGNMENT" component

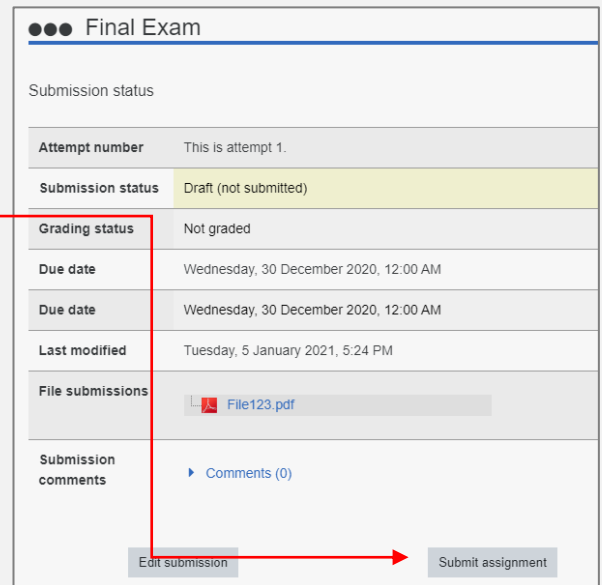

The assignment component on your course webpage will look like this:

## 1 To submit an exam:

1. After uploading the file to the assignment component, to submit the exam press the "Submit assignment" button which appears under the "submission status" table
2. After pressing "Submit assignment", a submission confirmation page will appear. Press the "continue" button

**Please note:** if you don't see the submission button, keep scrolling down to the bottom of the page.

## 2 To confirm that the exam was submitted

After the exam is submitted, a "submission status" page will appear.

**To confirm that the exam was submitted:** In the "Submission status" line, make sure it says "submitted for grading"

You will also be able to view your submitted file and the submission time.
